“ Nancy was such a good friend in elementary school and high school . After we were out of school, she came to visit me and we lost touch after that. I often thought about Nancy. Today, I saw her mother's obit and saw Nancy's name and I was so shocked. I know that today my best friend is in heaven and laughing and talking to all our families. I will see you again, Nancy, and we will have so much catching up to do.

“ Jerry, Freddy and I are sorry for your loss. We remember Nancy with Fondness and that special twinkle that she always had in her eyes. We remember the Alabama trip, visits to our house in Madisonville, pool visits and many more times we got together. We spend about half of the time in FL. Thank Jonathan for letting us know. God Bless you and Keep You and your Family, Pat.

“ Sis,
We are sad to see you go but we know that you are in a better place than we are now. We know that you are in God's Hands now and what Blessing for that to be. We know that God promised us in Philippians 4:6 the peace that surpasses all understanding, you are seeing that now. You are seeing and feeling all the Blessing that Our Lord and Our Savior promised us. I wish that more people could and would know God and become a member of His Holy Family. I know that one day Chris and I will see you again when we cross over to the other side and be with you in Heaven. Love you Sis, and I will miss you on this old earth but I am proud and you are there and you are not suffering anymore.

See you in Heaven, One Day Your loving brother,

Charlie & Chris Tidwell

“ Jerry, Randy and Jonathan we are so sorry for the loss of your loved one. Nancy was such a sweet person. I will truly miss her. I am so sorry that Brian and I are not able to attend her service. Brian has to work, and I don't drive alone that far. Hope we get to see you all one day soon. May God give you peace and comfort in the coming days. You will always have your precious memories.
