“ Nancy and I were close friends for years, until I moved to Scottsdale, AZ. She was also my sister in law, our sons grew up together, (she had 4 boys, I had 3) and they were very close together in ages. They played at my house and at hers. We shared many a Christmas at the Ware Family home in Cherokee Valley. We exercised together and practiced Ball Room dancing together which we both loved to do, although neither of us were experts, we still enjoyed it. I was always glad to see her when I came home, I would call and we shared many lunches together remembering our sons growing up and all the things they could get into. I will miss her smiling face, but I have a lot of happy times to remember, and a lot of precious memories. My thoughts and prayers are with you all.
