“ Oh my. I am so saddened to see this, but greatly rejoicing that my sweet cousin is home with the Lord. I haven't seen Louise in many years, but I have such good memories of spending time with her and the family in Georgia as well as Florida. My prayers are with you, her family. I wish I had been able to spend more time with her through the years. Mom always enjoyed her visits here in Florida and she loved going to Georgia to visit her. Now they are rejoicing together in Heaven.

“ Dear cousins, words cannot express the sadness that I feel even though I know Louise is with our Lord having the time of her life. She will be missed. I loved her, she was the kindest person, a wonderful cook and joyful to be around. There was never a dull moment around Louise. We really had good times when we all were together. So, cousins I am sending my love and prayers to you all, praying that God will comfort you all during this time and the days to come. Love to all!
