“ *Neida you will be sadly missed by all your family and friends...I will always remember you as a friend as well as sister in law...I remember your wedding being performed at our house many years ago and what a beautiful bride you were....I will always cherish the memory of our vacation together with family and friends on the cruise ship...thank you so much for the love you gave our brother, you were the light of his life, and he loved you so much !....I am so grateful for our phone conversations every month or two, since Jerry's passing...they meant a lot to me.....and....now you are there with him...and I know you two are having a Heavenly time with your Mom and Dad and Sister, your precious grandchildren and our Mom and Dad....I look forward to the day that I will be there with you all too....love and remembrance forever*

“ To My BFF
We have known each other since we were 5 years old, a lifetime of memories. So many birthday parties, Easter Egg Hunts, Trick or Treating, bicycle rides and so many other occasions, to numerous to mention.

We were such giggly little girls and it was an honor to have you as my matron of honor in my wedding.

You will always have a special place in my heart and I will miss you terribly.

Rest in Peace Dear Friend.

Your old pal,

Karen
