“ Oh Sheila, I've tried several times to find a number to call y'all. All of the ones Mother had didn't work. I am so very very sorry for all of you all. I can't tell you how many times I've thought of y'all. I've just had these strong thoughts about Aunt Nell lately so I googled and this is what I found. I love you Sheila and I know how painful this is. Please call me 256-458-0038 when you can. I love y'all and I'll do anything to help. Please call me. The only good thing is that she's with uncle jesse now and all her other blood family. And I know one very happy lady who got to meet her best friend when she walked through those gates. My momma is sad for y'all I know but mighty happy to see her best friend.

“ Nell was like a mother to me. Sheila and I are best friends and met in Knoxville over 20 yrs ago. Nell had a wit about her that always made me smile. We shared many sweet moments and lots of laughter. Such a tough lady and she loved her only child and friend Sheila so very much! We were all blessed to have spent time with this lovely lady. I will miss her laugh and think of her fondly.
