“ *The days at the “Basket Case Cake Shop” has a lot of memories of the lady, everyone called “Nanny” I was able to be a part of her life by working occasionally at the shop. Both Wally and Linda’s moms loved to hang out and help anyway they could; if only to share stories of the past present and of course the future, along with smiles and laughter. They loved life and their families. Those were good times and will forever be in my heart. I always enjoyed being around “Nanny” My love and prayers to the families during this time and for the coming days. May God’s Grace, peace and comfort cover you now and always.*
