“ *Nick,  
We experienced more together in our 13 years of marriage than most people in two lifetimes. I am thankful we remained friends to each other for the last 6 years. I know you are with our son Kade now and I know that you are so happy. I will never forget the things you had taught me about life, growing up, and about myself, for that I will be eternally grateful. I am thankful for the time we had together and I will carry our memories and the love I had for you in my heart.

“ Nick,

*There was so much that I wanted to say to you before you went to be with the Lord. I wanted to thank you for always being there for me when I needed a friend to talk too. No matter how bad of a mood I would be in you would always seem to make me smile when no one else could. You was one of the best men I had ever known. You fought for so long but God had better plans for you. You are at peace now and will never hurt again. I know that your journey has just begun for you, as you always said "Death is just the beginning". I love you Nick! You will be in my heart forever.*

*2 Timothy 4:7*

*I have fought the good fight, I have finished the race, I have kept the faith.*
