“ We were very surprised and saddened to see this notice. I had been calling her number and couldn't get through, so tried a web search. We hadn't heard but want to send condolences the family. Jim and Pam Loch

“ The minister quoted the scripture in Proverbs 31 at your service. "Who can find a virtuous woman. Her value is far above rubies" They wrote this scripture for you. You are among the Lord's choicest daughters. You will be missed but are comforted that you are now with your Lord and your loved ones that went home ahead of you.

“ She's been my mommie in law for 31 years, and has played a tremendous role in the person I that I have become. The first time I was at her house, her, Brian and I had hot chocolate and toast. I ended up getting in trouble for not rinsing out my cup. You can bet I never made that mistake again. I love you Mae.

“ *My earliest memory is when we would go digging for clams in west Palm beach. She would always make a big deal out of US getting a small bucket of clams.*
