“ The Ervin family is very special to a lot of people especially to me. I'm so sorry for the passing of brother Ervin. I enjoyed visiting him in the nursing home and hearing his stories of how he and his beloved wife met. I will cherish his love and friendship. All my love and prayers to the family.

“ So sorry to hear of Larry's passing. He was a great man of God and as long as I live I can always hear him sing "There is a river". I love that song and I loved to hear him sing it. Much love and prayers to all his family.

“ Larry was a good friend and wonderful neighbor. We have missed him sitting on the porch and waving to us plus talking to all the neighbors as they were walking around. He always offered to help with anything when he was able. He will be greatly missed.

“ The saddest part of my brothers passing is that he was alone and sad to be isolated in a nursing facility for the last year of his life, without his children and his home. He missed his cat. He was a good husband, father, and brother. He worked hard to make a good life for his family and even tho he felt he could have done better, he did the best he knew how. We shared a lot of good and bad memories and I will miss the lengthy phone calls we had. I know he looked forward to meeting his dear wife Christine. Rest In Peace my Brother. With 💕💕 your sis Mamie
