“ *I'm so sorry to have just now learned of Pam's passing. We worked at Life Care Center together as PTA's. She was a fun person to work with and her patients really liked her. We lived in the same neighborhood until i moved to Florida in 2012. I miss her. I know she had struggles and i prayed for her often. Her name just came to me today, out of the blue. I am so sorry that she is gone. I pray that she is with the Lord and at peace.*

“ *I've known Pam for a long time and we use to be close friends when we worked together as PT techs. I went to therapy school and later she did the same. I always felt like she had the best potential of anyone for becoming a therapist. I wish she believed it about herself. We had a lot of good memories and some bad ones too. I know things have been hard for her for a long time and I wish it could have been better for her. She was a talented person in anything she put her mind to.*

*My condolences to the family in your time of loss. May you find the peace and understanding you need in God. Only He knows why she had such a short life. Rest In Peace.*

“ I have often wondered how pam was over the past 29 years. She never left my thoughts or prayers. I remember so many greats times playing basketball together. We share times of winning and losing together. Pam was funny and always the life of the party. Rest in peace old friend. You will always be remembered.

“ I'm so sorry for your loss. I remember playing basketball and going to basketball camp with Pam in high school. I remember staying at your home and doing things with y'all. Pam was such a fun person to be around and so many laughs. I'm sorry we didn't stay in touch with you all. You all made me feel like family. I know she will be missed by so many.  
If there's anything I can do, please give me a call. I still have some pictures of us all at basketball camp. If you would like them I will find them and give them to you.

*Again, I am so sorry.*
