“ *Trisha was an awesome lady. She will truly be missed. My prayers are with the family. May God grant you the strength to get though. It's never easy losing a loved one but we have the promise to see them again!*

“ *My Mom was my compass. If I was troubled, by a course of action, or a direction to take, I would consult her. Now I feel adrift, my true North is askew. I feel as if I'm thrashing around in a storm with no end in sight.*
I know the dawn will come. I know that the storm will end, but the world will never be quite as bright. The seas will never be quite as calm.
I love you Mom, I will see you on the other side.

“ Trisha was the best mother-in-law anyone could have. She accepted me with open arms from the very beginning almost 18 years ago. Loved her with my whole heart, we were best friends, I spent more time with her than my own friends. We always had a bunch of laughs and crazy stories!! Thank you for your loving son, and being such a wonderful loving Granny to Chase, Gage and Logan. I strive to be as good as wife and mom as you have been! There was no one like her!! I love you, until we see you again.

“ My granny was one of a kind, they absolutely do not make people like her anymore. She was so funny and knew how to make people laugh and was always making other people happy. I hope to be a little like her. I would always look for her at family gatherings, she was my favorite. I will miss her so much but I know she's looking down on me and protecting me. (and laughing with us when we tell all the stories about her)

“ My condolences to Joe and Jimmy and family. I'm so sorry. Patricia was a wonderful granny to my children. I could not have asked for a better grandma for them that loved unconditionally and loved spending time with them. I know you will be watching them, and all your family, from above.
