“ *Patty was a sweet friend of mine, she encouraged me to apply for the position I am in at work. She came to visit me at my house after I had both of my children. She was always kind and encouraging. I know that she is with our Savior Jesus, but she will be missed.* 🙏

I will miss you so much my sweet friend. I enjoyed our years together and cannot believe you are gone. I have never met a more loving, caring person. Every time it was my week to work with you, you would always come in and say yay "Tammy is here". Prayers to your family as they go through this difficult time. I will see you again one day, so it is not goodbye but see you later.
