“ *My heart is broken at hearing the news that you're no longer here. I have great memories of you when we worked together at Some Seminole Child Care. You always made coming to work easier because I knew that you would always have a smile and never failed to make me laugh. I remember one year for my birthday you planned a party for me with our kids (day care kids). You always had a way of making the ones you loved feel special. In the last several years we didn't talk a lot but when we did it was never awkward but we always picked up where we left off. I have always kept you in my heart and always will. Patty, I love you and know you're not suffering anymore and are happy getting to be with Jesus. RIP my sweet friend. You were an angel on earth but now you have your wings.*

I am so glad the last time I saw you (in the Walmart parking lot) I had the opportunity to give you a hug. I'm sorry you are not with us, but I know you are at peace, no more pain, no more hurt, You will be missed by many and there will be tears of sadness, but all that knew you and knew all you had been through, will soon be at peace also, knowing you are no longer suffering or feeling any pain, or heartache. We had an on going competition, on who was the #1 aunt! Well, lets call it a tie!!!! Until we meet again in Heaven just keep on smiling!!!!

To all the family she left behind, Be proud and be strong, She's one of Gods angels now, And she will always be in our hearts
