“ We will all miss Patt as she was the backbone of our class reunions. She always had a smile and a positive outlook. Fred, I'm so sorry that I'm unable to come to the funeral home or funeral as I am in SC with my 90 year old Mother who has had serious surgery. Please know that you and your family are in my thoughts and prayers as you go through these difficult days.

“ Our deepest Sympathy goes out to Fred and Family! So sorry to get the news.

*She was a great person, never saw her without a smile. Patt Loved her family and friends, and we loved her.*

*I meet Patt in Atlanta we both worked for Eastern Airlines, boy did we have some fun. We were from the North (NH) and I just loved*

*talking with her, with our different accents. She changed Dick's name to Bubba (and he always answered to it). We went for a few catfish dinners, and always talked about it. We were hoping to have another with her and Fred this year on our way North.*

*Will miss our talks and emails keeping up with all our Eastern friends.*

*She always kept in touch.*

*We will miss her and feel privileged to have known her.*

*Love Karen and Bubba*

“ Dearest Friend,

*Whether visiting with you by phone, Skype or in your home, the beautiful soul that radiated through your eyes and smile are with us always. This is not a good-bye, rather until we meet again and spend eternity with our Lord and Savior. We love you, Patt.*

“ I will never forget when I was in elementary school, Patt was my idol. She showed me a great love of books and all things literary, and she took me to the library in Chattanooga. A whole new world opened up to me, and I will be forever thankful to her for giving it to me. She is also the one who took me to have my ears pierced when I was in my early teens, feeling ugly and clumsy. She came to visit when I lived in Turkey and brought a whole baggage load of things from home to a very lonely person that cheered me up considerably. These little things probably didn't mean much to her, but they were wonderful to me.
