Patty was such a joy and light to be around. We only had the pleasure of knowing her and her family for a couple of years, but what an amazing soul. She will be deeply missed. We are wrapping her family in our hearts and prayers.

Patty was so full of laughter and joy, always smiling. The help she provided was amazing. The friendship she showed every person that walked thru the doors just shows the person she was. I was never around her that she wasn't talking about her son and her husband. She adored her family and her love showed. She will be missed:(
