“ Sending prayers for comfort in this time of grieving may God console you and, be with you in this time of need. Patty had a wonderful personality she always seemed to be smiling. I remember her from her younger years when she was care free and always happy. I pray God comforts the family and close friends.

“ Patty was a sweet, generous, funny, friendly lady. Her light burned so very bright, as she lived life on her own terms; that light just burned out too soon. She and her family will be in our thoughts and prayers. May God bless you all and bring you peace and comfort during this difficult time.
