“ Tiffany , Calley & Dusty,
I am so sorry , she left us too soon.
Trishes was loved by many. I know my children always loved her & loved to come to the house to play or spend the night. I have lots of special memories of us playing as children & as teenagers. I really am not ready for her to go
, God saw her in pain and decided it was time. She told me the last time I went to see her in the hospital she was ready & that she had a glimpse of heaven when Calley& Dusty brought her back. She said she could feel you all wanting her back but she felt like she wanted to stay. She loved you all four & her grandkids more than anything. Hang on to all your memories , it will take a while but they will get you through the hard times. The hurt never goes away trust me I know & so do all if you.
I love you all and always will . I will remember a the good times and let all the past differences go as I told her a while back. God will see you & all of us through all the pain.

“ I am so sorry for your loss and will be praying for you and your family.

"Let not your hearts be troubled; believe in God, believe also in me. In my Father's house are many rooms; if it were not so, would I have told you that I go and prepare a place for you? And when I go and prepare a place for you, I will come again and take you to myself, that where I am you may be also." John 14: 1-6

Please let me know if there is anything I can do.
