“ My prayers go out to Patti's family. My dear friend Patti was always caring, giving, and loving to others. I will miss her and my son Josh will too. She loved the LORD JESUS CHRIST. We will see her again. II Corinthians 5:8 We are confident, I say, and willing rather to be absent from the body , and to present with the Lord. KJV

“ I can't begin to tell you how much Patti really meant to me. But I can tell you she was like a sister to me and the best friend a person could ever have. Patti was a very loving person and if you knew her like I did, her love and light of which she was radiated from her very being. I will miss Patti very very much.. Patti was a very selfless person. We weren't only friends, but we shared a love for music. Patti was a very talented songwriter, she had a true talent for placing her thoughts into her songs and they all reflect on the light that was Patti. I met Patti quite by accident about 20 years ago...she was at a music show in Texas receiving some reward as a songwriter and so was I but mine was for female vocalist. I never will forget how Patti snatched me the minute I exited the stage....She has been my friend ever since. I am very grateful to have known Patti... RIP my friend, I will see you again someday.

“ I am so very, very sorry of Patti's passing. She was like family to my mother (Judy), uncle (James), and my dad (Bobby). They all loved her very much and it has deeply grieved my mom and uncle.

Patti nurtured and cared for my grandmother (Ellen Tucker) in her last days and my dad was forever grateful to her for the love and concern she showed for my grandmother.

Words cannot express how regretful we are of her passing. She was a kind, caring, and loving person. She was concerned about my family and showed it in various ways, bringing food and gifts to them. She had also given gifts to my children. She was so sweet and I'm personally so very, very sorrow of her passing, as is my mother and uncle. My dad would have been deeply grieved also if he had survived her.

May God give you peace in this time of your loss.

I am so sorry to learn another member of my extended family has passed away. We know in our hearts you did not want to leave us here, but we know that you are in Heaven with our Heavenly Father. We know that one day we will join you and what a wonderful reunion that will be. Fly high Angel with your wings we all will be there shortly to join you.
