“ *Nana Pat as I affectionately called her was a true lady who showed the love of God and always had a smile on her face. She is missed by all of us who knew and loved her but we know she is in heaven with our Almighty Creator and I believe she would not want us to be sad but to celebrate the life she led. I loved you, Nana Pat. Carol L. Rogne (Lorrie Ogle's sister).*

“ Aunt Pat meant so much to me growing up. I would always look forward to visiting with her and the family. So many great memories. I still remember with a smile and a laugh her sitting out on her mother's roof with us throwing cookies at passing cars. She displayed an unparalleled love for the Lord and I always enjoyed discussing our faith. I know the Holy Spirit will comfort us in our loss and assure us of that blessed reunion in God's eternal kingdom.

“ *We have lost one of the sweetest ladies I have ever known. My heart is broken but I am so thankful that she was a special part of my life. Johnny & Jimmy, I will always cherish the memories of her while we were camping at Harrison Bay. I will never forget how she tried and tried to understand the jokes you would tell her that had no point. Her Russian tea was unforgettable! She was a positive influence in my life and I loved her deeply. I am so sorry for the loss you are feeling now but pray that you will feel the comforting touch of the Holy Spirit and the loving prayers of all your friends and family. May your wonderful memories of a life well-lived help you through this difficult time. I am sending much love and many prayers for all your family.*
