“ Oh how this precious beauty touched the world. Pat was one of the most gracious, loving, open armed and giving of prayer and blessings to all that was fortunate enough to know her and friend her. I was fortunate enough to be a young Mom and her neighbor. Much advice and prayer she did bless my family with...and a friend as close as a Mom. She scattered positive words, beauty dust, and love wherever she went. Adored her family and blessed them with knowledge of Gods love. A dedicated and loving wife to a wonderful man and Father named Virgil...what a cute couple they were. My condolences go to Gene and Vicky ...a loss of a parent is heartbreaking. Im certain the other angels in heaven are absolutely ecstatic that Pats going to be with them now....i can just visualize with a happy heart, the grand arrival celebration that our Pat will receive ! She's a very special lady.

“ Always a friend! Best ever. Pat & Virgil both were angels that walked among us. My earliest memories were of Virgil as he was occasionally visible & so helpful at the Shop Rite Grocery in Ringgold. Then again as they began attending Ringgold First Baptist Church. From that point on they were always in my life. Thru the Church & our Love for Our Lord, Mary Kay, Family, Friends, etc. Pat was always a much better friend to me than I deserved or I could be to her. She was the best! Then over the years I had met Gene & Kathy & her parents, I have on occasions met and often heard thru Pat about her daughter Kathy, and many of her grandchildren. She loved you all so much. She is walking & talking w/Our Lord & Saviour as we mourn our earthly loss. For her life to have been an example & avenue for others to ask Jesus into their lives I feel would have been one of her greatest desires. The second was for everyone she came in contact with to experience Mary Kay either by using &/or selling. She will be missed! Her Family was everything to her! Precious Memories How They Linger.....

Vickie let me apologize for putting your name as Kathy in the above post. I knew the minute I posted it was incorrect & I tried to change but I was too late. Your mom was so very proud of you as well as Gene; as she had ever right to be!
