“ *My favorite memories of my sweet mamaw was spending Saturday night nights with her and papaw and going to church in the morning. Papaw would always be rushing me and mamaw to hurry up and get ready.... her hair was always perfect and remember her pink lotion...lol. she would also take a gum wrapper and make a cup out of it on her finger and give to me.*

“ *I spent a lot of time with Mamaw and Papaw when I was growing up. My fondest memories include going to Central Park for a burger, watching Hee Haw on Saturday evenings and going to Church on Sunday mornings.  
I will miss you but will see you in Heaven. I love you!
