“ Our deepest sympathy to the Collins family. Greta was a wonderful lady, very loving and caring to her family and friends. I can't remember a summer, while growing up, that she wasn't sitting at our table playing Yahtzee with my Mom nearly every day while us kids played outside together. She even gave me my nickname that ended up sticking even as an adult! :) Pauline was always a good friend to our family and will always be considered family to us. I have no doubt in my mind that she and my Mom are up in heaven playing Yahtzee right now. Greta, you will be greatly missed.

“ *Please accept my deepest sympathy for your loss. Pauline is in heaven walking the streets of gold :) Pauline is the one who invited me to Pleasant Grove back in 1997. Since then Christ has changed my life. I am eternally grateful for that gift that she gave me, not to mention she welcomed me into her home. She was a loving woman to everyone she meet. May the memories you have of her bring a smile to your face.*
