“ Even though we didn't get to meet little Paxon, and we can seldom understand in this life why heartbreaking things happen, we know that God doesn't make mistakes and there was a purpose In this precious little boy's life and his early passing. He was just as real before he was born as every baby is, whether we hold them in our arms or the mother was still carrying him beneath her heart. Brittany and Brad, our hearts feel for your loss and we are praying for both of you and the other kids. I know he is with Jesus and I also know he has a Grandma Pat Eden, a Great Grandma Pat Parris, a Great Great Grandma Kennedy, a Great Great Grandma Bowling and a Great, Great Granny Wofford in Heaven who knew when he got there that he is part of them.
