“ I have so many fond memories of this wonderful person in my life. We met back in the 80's at a little church called Faith Baptist Tabernacle. Our kids were young and we all did so many fun things with all the youth in the church. Peggy always had a song for Jesus on her mind to sing and boy could she sing. The church always depended on her to sing and help the choir . She was a blessing to all who knew her. We had fun attending that little church and watching our children grow up. One song stands out in my mind that she would sing, the title was, "I want to stroll all over heaven with you". That's what Peggy is doing today. Thank you Peggy for your sweet friendship. “ I was very sad to hear about Peggy's passing. She was always such a sweet person and because she was Bill's sister and I was Bill's sister in law, it always seemed kind of like we were family. I know that she is rejoicing with our Lord and Savior in heaven and also seeing her loved ones that were waiting on her. I am unable to attend the funeral and I am so very sorry for that. My prayers are with all of the family.

My mom was the most loyal, generous, loveable, Godley, understanding, forgiving, wonderful person. To know her was to love her. Everytime you seen her she had a beautiful smile on her face. She never complained. She loved her family with all her heart as we loved her. She loved her church but most of all Jesus. Her voice was angelic as she sang her gospel songs. I am so glad that GOD chose me to be her daughter because it was an honor and privilege. Our lives are forever changed. I was so blessed to have Peggy Joan Harmon for my mother, My Rock, My Hero, Best friend. She was an angel here on earth, an now a angel in heaven. Rest in Peace my beautiful mother. I will see you again.
