“ *It has been a long time since I have seen any of you and I just want you to know how truly sorry I am for your loss. Unfortunately, I have been where you are today and I know the pain you are feeling and the hole you have in your heart. I'm sure she and mom are in heaving just catching up.*

*I remember the days of going over to her house and playing with everyone when I was a kid, I miss those days and it seems like once we are grown we go our seperate ways and don't see each other as often as we should.*

*Just know that you are family, always have been, always will be and I love each and every one of you.*

*Dana*

“ The last time I talked to Lee was when Barbara passed away in February. She and Junior sent some of the prettiest flowers Barbara got. That was just who she was. She was always so supportive in times like that.

To all of you, I'm so sorry that she's gone. Unless someone has been in your place, words can't begin to touch what you're feeling. Families don't stay in touch like they should and that's sad. Just know I'm here if any of you need me.

Lee, I'll miss you. I didn't see you as much as I should have. For that, I'll always be sorry. But I have some great memories. I'll cherish them.

We will meet again. Love, Kim.
