“ *I have so many memories of Dad. As a kid, I was Daddy's girl. From fishing, helping him work on things, going with him in the big truck & working with show dogs to just sitting drinking coffee & making each other laugh. No matter the memory, they have always been & will always be so special. It's still just so hard to believe he's gone. I love you Daddy, rest now.*

“ *I met the love of my life 29 years ago on November 15, 1991 and lost the love of my life on November 15, 2020. We had good times and bad times and even a storm or two but our love for each other got us through. We have two wonderful children, Angel and Austin and their mates and we have one Grandson Noah that brought him so much joy, from our 29 years together. I miss him so much and a part of me died with him that day. He will never leave me, I have so many good memories of my life with him. He's picking out a mansion for me and him and I will join him some sweet day.*

**Tessa Smith** - November 21, 2020 at 01:05 PM

*We also have children and grandchildren and great grandchildren from previous marriages that he loved.*

“ Pete was a very rare man of God, full of Holy Ghost.He loved to sing of God's love. One of his favorites is I'll see you in the rapture. And I'm sure we will. We loved his entire family. God bless you all. Be at peace.

“ Pete and I are cousins. We always referred to each other as “cuz”. We were very close growing up. He gave me rides on his bike and would scare me really bad. He thought it was funny. My heart goes out to his family and friends. Praying for all.

“ I didn't know Pete for a long time, but it didn't take a time to learn to love him. I definitely did and I will surely miss him.
