“ *Phyllis was a fabulous person and a dear friend! Her love for children, her love for her colleagues, and her love for teaching were evident every time that you were around her. She touched the lives of thousands of individuals (including mine) throughout her career in Walker County Schools and she was a positive role model for so, so many! Her smile was always contagious and her life will always be a wonderful memory! My prayers are with all family and friends!!!

Phyllis, as long as I have known her (and that is my entire life), has always been one of the sweetest persons I have ever met. My heart goes out to her husband David and her siblings, Jerry and Sheila; as well as all who loved her. Her presence here will be missed, but in heaven they will welcome her with loving arms. ❤️
