“ Oh, this breaks my heart. I took care of Phyllis at Mary and Martha's PCH. She was an absolute joy to be around. We used to joke around all the time. I loved Phyllis so much. I am sending love and prayers to the family. Waldo and Carla, feel free to reach out anytime. Sending my love to you both.

“ Phyllis had a great sense of humor, she would say stuff and have you rolling around on the floor. Her witty humor will be missed. She would always ask if she could help with anything. Phyllis really had a good heart. She was kind, patient and she loved people. When we would play games, there were many times that she was the "Life of the party", she was hilarious, hurt your belly laughing so much. I can say that I had a really good mother- in-law. You will always be missed and Forever Loved.

“Waldo I am sad to know you are hurting in the loss of your mother. I didn't know her well but met her a few times. She had to be an extraordinary kind and loving mother. I know she loved Jesus because how you love Jesus You have been very good to me and I think of you like a little brother. You and Carla will always hold a big part of my heart the way you have looked out for me in my loss. My prayers are for you and your family during this time.
