“ Polly retired from Hutcheson after 30 years, and had many friends. Polly was a kind and loving friend anyone would love to have. Because we care our, thoughts and prayers, and sympathy go out to the family. Our whole family thought so much of Polly and missed talking to her after she moved.
She is in Glory now.

“ Ann, and the Henson family: Mom is terribly sorry for your loss. I, myself will miss her unique personality. Mom is feeling very mortal, as all of her friends are passing on to heaven, without her. We would like to extend our apologies for our inability to visit with you all. Mom is just unable at this time, to get out much at all. I am undergoing another hip replacement, or I would be there to extend our love for you guys. Peace and love from the Patterson household.
