“ R.A. was a man of class A man who walked and talked And had the Glow of God on His life And on His face. He always treated me with Love and respect. I couldn't wait to see How him and His Beautiful wife looked when I would come to preach. He always looked so distinguished. I can't imagine how He looks in His Robe of White That was Made just for him. I loved him and death has not the power to steal it away. Death Hids but not divides For R A is just on the other side. I will be praying for All And will Always love you All.
