“ *It's been 9 days since you left us. I've screamed to the heavens, telling them to let you in. I played our Matchbox 20 and read all the messages again. You're gone too soon and I'm not sure what to do but I'll keep fighting and this time, it will be for you. Love you baby squirrel.*

“ Nobody will ever take the place that Rachael held in my heart. I loved her as a employee and as a friend. She could make someone smile just to hear her laugh. I will always hold her in my heart and in my life
