“ *First and most importantly, I will always remember Ralph Grisham for the loving way he took care of my best friend, Maureen, and for the kindness he showed to me every time I dropped by to visit her. Ralph was a great cook and he never shied away from an opportunity to share the food he had prepared with others, whether they be down with sickness or they just happened to pop in on him and Maureen for a visit at the time it was being prepared. He loved his clocks and would help you fix yours should any be in need of repair. Ralph loved this great country of ours and proudly flew the flag that represents what our constitution stands for. You had no trouble discerning his love for his wife, his country, or his Lord and Savior, Jesus Christ He was true to the covenants he made in the House of the Lord and was courageous through the trials of the disease that finally overcome him. I love Ralph for the man that he was—and still is! I have no doubt that his loving wife and eternal companion, Maureen, was waiting on the other side of the veil to greet him as he crossed over. While we haven't had the privilege of his association with us since he became ill, he will be missed by me—as well as all of us—who knew him.*

Respectfully, Linda Morehouse

My deepest sympathy for your loss. Ralph was a kind gentleman, he will be missed. He was a good friend to all in our church family and a wonderful son , husband to Maureen and a Father. He never failed to tell Joe and I about how much he loved you all . This disease was so debilitating and I know it broke many hearts to see him through this trial. Please know your family is in my prayers 🙏
