“ I remember Randy and Pyenappie when they resided in Woodstock, Ga. Randy was my Mom and Dad's Russ and Helen Epps) neighbor a good friend. My Mom kind of took Randy under her wing and would help care for him and do errands as well. Sorry to see that Randy has passed. I was just thinking of him and wondering how he was doing. Tan across his obituary. Sending prayers to family and those who hold memories of him dear to their heart. Randy was a kind natured soul who loved his family big and his fur babies too. He had a great sense of humor and will undoubtedly be missed. My Mom has long left this Earth and gained her wings, so I'm sure she'll welcome another friend up there in Heaven.

Randy, You wil never leave my heart or memory. You were my baby from the day you were 3 days old. Will never forget you laying on your dad's bed in your little diaper, my 1st sight of you. From that moment on I took you as mine. After you were a couple months old, with no head bobbles, mother let me carry you around on my hip Constantly saying "Don't drop that baby" Never dropped my baby!! So many precious memories thru the years. How many miles you, Donnie, & me drove thru the years traveling to NASCAR races from Las Vegas to California? Brother, will never be able to accept you not being with me. My heart is forever shattered & life for me will never be the same. I am now all alone. My heart will never heal from your loss my loving brother. Will forever long for your nightly calls & our chit chat. Love you my sweet baby brother. Rest Peacefully till we are all together again ♡♡♡♡
