“ *Mechelle, I love you with all my heart. I'm so sorry for your loss. I know today it's hard to see beyond the loss and your broken heart. It has taken me many years. You just have to be thankful for the time you shared. Randy was a good man with a huge heart. He was a father figure to many and showed you what's it like to be loved unconditionally. How awesome is that? There are people that go through life never having experienced such a feeling. I'm so glad you and the boys got to be "Happy", finally. It was well deserved. I know your heart hurts, and for that, I'm truly sorry. Now you have another angel to watch after you guys. I'm sure Lester was one of the first in line to shake his hand and welcome him home. Love you!!!*

“ *Randy was a true light in the darkness while he was in this world & now he is shining even brighter in the light of the Son. He had a huge heart of gold and will be monumentally missed. He was so very willing to help people and certainly helped Joe & me in some tough situations. We can't thank him enough. The one example Randy left us all with is his faithfulness. God has rewarded him for that and Randy is now forever at home. We will all get to join him one day if we stay true & faithful to God. Randy certainly followed in the footsteps of Jesus and no one can fill those footsteps - we just have to follow.*

Our deepest condolences to the entire family. We love you more than you know. Prayers are with you always.

“ *What a wonderful man! You would have to search a long time to find someone as caring, giving, and loving as Randy. We've been friends many years now and I'll always remember him for his smile and hug. Randy is one of those "once-in-a lifetime" friends who could always be counted on to help, and give solid biblical advice, whenever needed. I will miss him more than I can express. My heart goes out to those left behind, but I do look forward to being reunited with my friend one day.*

“ *Randy was truly one of my dearest friends in life. I could count on him at all times. He did not know how to say no. I cherish the times we spent together in the ups and downs of life. He will forever be remembered as my friend. Words can not express how much he meant to me. You are truly missed already. I will close with an Irish blessing we both shared.*

*"May the roads rise to meet you,
May the wind always be at your back,
May the sun shine warm upon your face,
The rains fall softly on your fields, and
Until we meet again,
May God hold you in the palm of his hands.*

Love you brother,
