“ *Very Sorry to learn of Randall passing. I was an acquaintance of Cheryl from time we both spent working at Hardee's back in late '70s. Only many years later, I and my dad brought appliances, typically refrigerators, to Mr Greesons home shop. upon one instance, we were invited inside, and it was then I saw and recognized Cheryls picture on the wall. He always did fine quality work on equipment we brought him, and sometimes had better working equipment when what we brought was not fixable. I also lost my father in 2010. Certainly will miss being able to bring him appliances to repair, but I know that he has now graduated to more glorious endeavors....*

“ Dear Cheryl ,

I wish I could be there for you today. It is never easy to loose a parent. It leaves a void that can be filled by no one else. My thoughts and prayers are with you and your family. I hope the very best memories of your father will fill your mind and heart in the future and this weekend, as you say "goodbye". Please offer my deepest sympathy to all of your family.

*Most Sincerely,
Paula Shaw*
