“ My feelings for my son are beyond words.No mother should have to bury a child before themselves.I share this not alone.

Randy was my backbone,my heart,my soul,and someone i could always talk to.

His last days will always remain with me,but he is not gone,he'll always be with me.He loved everybody,he loved all of his family.

I will miss him daily but his spirit is always going to be with me.When i think of Randy,i think of his beautiful smile and his out reached arms to comfort me when i would be sick or had other problems.

He was always faithful and believed in the LORD JESUS CHRIST.

He will always be with me in spirit and still continue to comfort me during this time of sorrow and grief.

His loving Mother,

Joan

“ Randy, words can't describe the pain and hurt we are going through but know you are with Granny Puckett, Aunt Brenda Walls, and your cousin's son Justin and you are no longer in pain or suffering. Thank you for being my brother and all the fun times we had through our years. You are deeply missed and will forever be in our hearts and on our minds. You were not only the only brother i had but also my friend and i will always cherish the memories i have.

We want you back but also know that you were tired and in so much pain but never let it be known to anyone. GOD came and took you to Heaven all too soon but you were HIS child and he knew the pain and suffering you endured and took it all away in the blink of an eye. Now it's your time to fly and sing with all the other angels. May you rest in peace now and forever.

I Love You and until we meet again,
your loving brother,
Daryl
