“ I haven't seen Randy in many years...last time he was working at Walmart...
I was searching for people from the past when I found his obituary...
I worked with Randy at Revco...he was a fun person to be around...I
even went with him to pick up his new vehicle once when he was
starting a new job when he left Revco...I have thought of him a lot
over the years...and was so shocked to hear of his
passing...condolences to his wife and family...

“ To my friend Randy, you taught me so much. You taught me to care
more for other people, to share, to love our Lord, and to be faithful
in our everyday living. I will remember the Angel Food Program. You
will always be in my thoughts. I will pray for your family. I know you
are in a better place and are not hurting any longer. To be absent
from the body is to be present with the Lord. Thank you.

“ So sad to have lost such a dear man. He had a smile that would make any one feel better. A hard worker and man to be respected. Those who were privileged to work with him will miss him and will always have fond memories of him. Marla, we will be there for you when ever you need us. Hugs are there for you when you need them. I am praying for you and your family.

“ Sometimes I would see him sitting on the bench at work, he would just appear. Go to the break room, and he was there. His entrance never announced but his presence noticed and felt by all. I hope he knew how very much everyone loved him. Randy, a gentle man, a quiet man, a wonderful and kind man who will be missed by all who knew him. My prayers are with you Marla. No one is ever truly gone, they live within us in our hearts.
