“ Ray was always such a comical man. I met him a handful of times but every single time he made me feel apart of the family...even when I spent holidays over there because I had nowhere else to go. His family was his life. He adored all of them and you could see it in his smile. He will definitely be missed however, he is now watching over his whole family and holding them tight from God's side.

“ Uncle Ray,
I will always treasure the first time I ever met Ray. My first Thanksgiving with Jamie's family and he welcomed me right in. I will always remember the gleam in his eyes and the looks on our kid's faces when he would show up on Christmas Eve dressed as Santa Claus! He truly was one of the kindest men that I have ever met . Heaven has gotten sweeter with him there.

“ Ray was a big man with a bigger heart who will be greatly missed by all who knew him. He always had a bright smile for me and always made me laugh. It is hard to know that I will never run into him at Wal-Mart anymore, but I cannot wait to run into him in heaven. I will be missing you my friend until I see you again!

“ Ray was our neighbor for 32 years. But more than a good neighbor he was a friend. He had a heart of gold and would always stop anything he was doing to lend a helping hand. He was like family to all of our family and we will always remember his kindness. R.I.P. My Friend

“ *Uncle Ray,*

I love you so much. You were the best Uncle ever. I have so many good memories with you growing up. You were the first one that I road a rollercoaster with by your house, you always had jokes and you just made everyone smile.

Your favorite food to eat in Cincinnati with Gold Star Chili. You will never be forgotten and will be missed very much.

I love you and I'm glad that you are not in pain anymore.

*Love,
Brittany*
