“ He is a Veteran who fought several tours in the Vietnam Nam War. Spent 20 years in the service. They have 4 boys and 1 son. He had a kitty, Stella, that he loved so much. Too look at him when I was wrong I would think he looked tough but then he would reach out and hug me and I would feel the love of an Uncle who was kind and loving. During my youth and teenage years he and Aunt Pat were always there to help me out just by loving me. I love you Uncle Ray and appreciate how you touched my life. Rest now and rejoice in the loving arms of our Jesus. Randy and Connie Parsonk

“ My heart is so very broken over losing you, Uncle Ray...I love you so very much! Heaven gained an Angel and I know you will be in the line with those whom are with you, ready to tell me a joke, when the Lord calls me home. You've raised a beautiful family, Aunt Pat, Carly, Darlene, Sharon, Peggy, and Junior (Raymond)...I love all of you so very, very much! My thoughts and prayers are with you all during this hard time🕊.

“ This is a man who served his country with honor and loved his family unconditionally. He will be missed by so many of us, each in our own special way. I am grateful to have him as a beloved uncle and fellow American. To be absent from this world, but present with the Lord is a major accomplishment. Uncle Ray has run his race, we will continue ours until that great reunion day. There will be no sickness or sorrow on that day. My love and prayers go out to my Aunt Pat, his faithful wife and to my 5 cousins, his loving children.

There are men in my life that have truly made an impact on who I am. Uncle Ray was one of those men. He taught me love of country through his military service, love of family by sharing his time and family with my own, how to enjoy a good laugh by living large and stirring the pot every chance you get. Stay out of trouble in your new heavenly home Uncle Ray and know that you leave a legacy of people that love you. Until we meet again..... RIP soldier!!
