“ Dear Claudia,
We are very sad that your dad passed away. I will always remember his honest behaviour, his politeness and his professional competence. I liked him very very much. 1966 I was with my aunt Martha and my cousin Gaby at Raymond's place. This was a wonderful time. I drove with him and his truck through four states and learnt a lot about the USA. What a loss for you and the whole family.
Please, accept our deep condolences and our sorrow.
Warm regards,
Heiko and family

“ I never met Mr. Whitworth; but, if he is anything like his daughter Joanne, then I know he was an amazing man.

“ *One of my fondest memories of Daddy is taking him out to eat at The Texas Road House. He loved their onion blossom. It was his favorite thing to eat.*
