“ There's so many memories I have with my Aunt Reba every Thanksgiving , Every Christmas for my entire 47 years of life. I spent many nights at her house as a child , as I was older we all went to bingo many times laughing so much together . Went to a club once and I think we all shared our drink with you or you had to taste of each of our drinks but we had so much fun. There has never been a time that I couldn't call you or stop by your house if I wanted or needed to . I so wish I had stopped so much more . If there was an award for the best Aunt , mother , sister, daughter ,grandmother, or wife you would win hands down cause you were the best all around . I love you so much and will miss you greatly you were so loved by us all . Until we meet again
