“ *I was very sad to hear of Reba's passing. As a friend and former coworker of Reba, and her family members for many years, I know how close all of you are and I'm sure the weight of her death is extremely heavy. Just know that her suffering on this earth is no more and we should all work hard in this life to join her in that special place where she resides now. May God be with you all.*

“ Our thoughts and prayers are with you and your family. My staff and I had the pleasure of getting to know Reba and what an extraordinary woman she was while shopping at Cato. We all loved to see her coming in because she brought a smile to our faces and became more of a friend than a customer. God blessed us with her and has called His Angel home.

“ Reba,
I'm at a loss for words. You are gone too soon. I'll never forget the great fun we had when we were children, playing hours on end up in those woods behind your momma's house. Say hello to Granny Mullins while your up there jumping from cloud to cloud... and tell your daddy "Goober said Hey!" I'm gonna miss you terribly. I love you Reba. My birthday will never be the same, and I believe that from this moment on..... I'll share it with you. I became more grateful for everything I have the day you passed, and realized how much more precious the life I have left to live.... really is. Gonna miss you woodpecker. XOXOXO
