“ Reba was Reba no matter when or where you saw her. She had a heart of gold and would help or give you anything she had. All the kids loved Reba and she loved them. We lost a great person but gained another angel. We love you Reba and always will.

“ My heart goes out to you during this difficult time. May you and your family be comforted by the Words of our Lord Jesus in John 11:23-25, "Your brother will rise, I am the resurrection and the life, he that exercises faith in me even though he dies will come to life." May this hope help ease your pain.

“ Reba was my sidekick. She loved the kids and took care of them while I worked. They love her, although they are 2,3,4,5 and 8 she loved them all. She lived with my mom and lived her dear. The past 3 weeks was one of the hardest times of our life. Watching her go from full of life to nothing broke my heart. She passed peaceful with us by her. Thank you Reba for all you done for us. I love you and will miss you.

I picked a green candle because when Reba worked with me she made Friday's camo day. She had us all wear camouflage. RIP Reba
