“ I grew up with Bec and her family. I remember all of us going to New Bethnal Church and Becky and sisters would sing. Always thought they had such talent. Becky was always the life of all the youth . She was always laughing and acting crazy. Then I had the joy off working with her for a few years . And had the best days at work. She somehow made the days go by faster . I will miss her so much but I know she is in a better place than us. She was the kind of person who had a big smile on her face no matter when you seen her . And always hugged and told you she loved you. Bec just want to say I love you like a sister and think of you often see ya one day soon .
