“ When I first met you, you accepted me from the start and never judged me or made me feel like I was lacking in any way. You are the only one who knew how important it was for me to be accepted and loved and you did both without a second thought. I love you and miss you so much and I will never forget you. I only wish my baby girl could have had more time with you. She will miss out on a wonderful opportunity of unconditional love. I don't have the words to explain how much you changed and shaped my life. I love you and you will always be my Granny. Give Old Man a hug for me, I know ill see you both again someday...See you later Granny!

“ I will remember Regina as nice wonderful person she had always been good to me her, and Jimmy both. She spoke so nice in her..... sweet southern voice and everyone was "BABY" and I always thought that was the sweetest thing. She loved her family very much and stayed very close to them, but if you knew Regina then you were family She touched a many people during her time here. I pray Heavenly Father holds her tight , and watches over her family while she's away as she will be dearly missed. Love you Regina. In the name of Jesus Christ Amen.

“ I will always remember Regina from the family gatherings at Aunt Irene's house as we sat around in the lawn chairs talking. She was a very sweet person and she will be missed. My thoughts and prayers are with the family.
