“ Richard shane burr (pooh) was and always will be loved and missed. He was a great person all around with a heart of gold would help anyone in need. Tyler sloan was his best friend I have know tyler for 3 years and that is how I meet shane burr aka pooh. We would go over and visit him and his wife and have a ball and laugh and cut up Tyler loved to trade sports cards with him shane was like a big brother to Tyler and Tyler will always love and miss his big brother. But shane truly was a great guy he loved and worked very hard to support his family. And yes he loved to play golf every time Tyler would call pooh would say I'm playing golf. Now shane is up in that big beautiful blue sky we call heaven probably playing golf as we speak lol. But my thoughts and prayers and love go out to his wife crystal burr and there family. We love you pooh and miss you but we will see you again one day.
