“ *Oh my goodness. I so hate to hear this. Richie was such a sweet boy and young man, so handsome. Remember hanging out with him and slinging mud on Mt Etna. I am so sorry for his family...prayers for peace and comfort, especially for Becky.*

“*Richie was a precious friend to me. We met in grammar school and I always knew he had my back. As we grew older we continued our friendship. During those years me and him along with our spouses and circle of friends went on many group outings to Gatlinburg, etc. He once asked me if I had ever cooked a pig underground. I said you have got to be kiddin me, no way will it cook or be edible. Well he knew exactly what he was doing and it was one of the best meals ever. I have many special moments spent with Richie that I will cherish forever. I will miss his sweet smile and his wonderful laugh. Many prayers are going up for his sweet family, Richard, Barbara, Becky and Rex. I know this is very hard for you. I pray for comfort for you all. If there is anything that you need, please let me know how I can help. RIP Richie.....until we see each other again.*
