“ I love you so much and miss you more than you will ever know. They say it gets easier with time but I can assure you it doesn't you just learn to live with it. I hope your having fun playing with the angels in heaven and just know that you will always be the best thing that has ever happened to me besides having my babies. I'm so thankful to have had a daddy as good as you were. Rest easy big guy && know you are truly loved ☐ 🍷 💕💕
