“ Debra and family, I am so sorry to hear of Dick’s passing. I pray the Lord will comfort you in this very difficult time. I have so many fond memories of Dick during our youth as our parents were very close friends; which in turn gave us much time together and many fond memories including school, parties and even as my junior prom date. He was loved by many and will be missed. Please check the NHS Facebook page to see what his classmates have said about him. You’re being lifted up in prayer.
