“ I am proud to say Richie was one of my close friends while in Penscola. Richie was a real person and made friends with anyone. The Lord was in everything he done. My heart is heavy and still can't find a place in my mind that my brother in Lord is gone. I hope his daughter reads this because he LOVED you more then anything , he and I would talk for hours at night about you and my little girl and he was so proud to your daddy. While heaven got another great person we have lost a close friend. Rest in Peace Ritchie and ill see you again one day. Love you man.

Richie was among the few even it comes to genuine care. I never had a convo where I felt alone w Richie. He really was selflessly concerned w his brothers. His daughter she is prized more than any gold. He loves u to death girl. Pure love he gave. You will be missee but no one will need to preach you into eternity you! Richie I know your soul and it was a true follower of Christ! Until we see you again!
